**I wish to apply for a state officer position for the Maine FFA Association. Both my parent(s)/guardian(s) and I understand and accept the service and commitment required should I be selected for a leadership role. These include:**

1. Making FFA a major priority for the year as a State Officer, working closely with State Advisor (two examples, if on a sports team or holding a job, would be working sports/job obligations around FFA rather than the reverse).
2. Attendance at ALL days of initial officer training (Base Camp, Regional, Officer Summit-if selected).
3. Attendance at all state officer meetings and, as possible, at joint meetings with the Chapter Advisors---unexcused absenteeism would result in presentation to review by Maine FFA Advisory Board.
4. Participation in the State Officers Workshop (Base Camp) to be held May 19-21, 2023 and follow-up event on March 2-3, 2024 (or later scheduled March date).
5. Participation in the New England Regional FFA Conference, approximately June 22-29, 2023 (Estimate inc. travel---other New England states to confirm dates and location).
6. If selected as President / Vice President, participation in the Washington D.C. Conference (State FFA Officer Summit), July 16-22, 2023 (estimated).
7. If selected as President / Vice President, participation in the delegate process during the National FFA Convention, October 29 – November 5, 2023.
8. Participation in all required state officer activities which may be held during my term.  
(some examples of these include Northern Maine Fair-August 3, 2023 (estimated); Augusta Agriculture Trades Show-January 8-11, 2024; Maine Agriculture Day at Legislature-March 19-20?, 2024; 2023 State Convention - May 7-10, 2024 and visits to new and current schools).
9. If elected Maine FFA State President, I understand that I will be included on the State Officer Executive Committee during the year following my office and that I will be encouraged to play as much a part as possible in State Officer business during that time.

**I understand attendance at all leadership activities is required. I also understand that if at any point in the officer year I am unable to meet the above responsibilities, I will need to reexamine my commitment to State FFA Office and may be asked by the State Advisor to submit my resignation.**

**While the state association will provide reimbursement for travel and registration fees incurred, I agree to allocate the time this leadership opportunity demands.**

**I further agree to abide by the code of conduct established by and for the Maine FFA State Officers (see below “Maine FFA State Officers Commitment and Conduct Statement”).**

**I understand that failure to comply can result in penalties including loss of travel opportunities, suspension, or removal from office.**
